

SITE: Loconto PropBREAK: 13.3OTHER: 642506**Administrative Record File Available for the Loconto Property Site Removal Action**

The U.S. Environmental Protection Agency (EPA) announces that the Administrative Record File for the removal action at the Loconto Property Site, Spencer, MA, is available for review. EPA seeks to inform the public of the availability of the Administrative Record File and to encourage the public to review and comment on it. Removal activities include the following: removing and disposing of identified contaminated soil; performing any additional sampling, analysis, characterization, neutralization, and/or removal of hazardous substances as deemed necessary by the On-Scene Coordinator (OSC); identifying and characterizing wastestreams and developing waste disposal profiles; providing transportation and disposal of hazardous substances, including but not limited to lead-contaminated soil, at EPA-approved off-site disposal and recycling facilities in a safe and as cost-effective a manner as possible; backfilling with clean fill any areas where contaminated soils were removed; and repairing any response-related damage.

The Administrative Record File is the collection of documents that formed the basis for the selection of a removal action at the site. Documents include the Action Memorandum and Site Investigation Closure Memorandum. The Administrative Record File is available for review at the:

- U.S. EPA Records Center, 5 Post Office Square, Suite 100, Boston, MA, 02109-3912, (617) 918-1440, by appointment.
- Richard Sugden Library, 8 Pleasant Street, Spencer, MA, 01562 (508) 885-7513.

Written comments on the Administrative Record File should be sent to: On-Scene Coordinator Allen Jarrell, Mail Code OSRR02-2, U.S. EPA Region I, 5 Post Office Square, Suite 100, Boston, MA, 02109-3912. Comments should be sent to the On-Scene Coordinator within 30 days of this announcement.
